MEMORANDUM

From: Jonathan W. Vickery, Associate Director and Director of Grants
To: Interested Persons
Re: Funding Opportunity for Civil Legal Aid to Low-Income Veteran’s GY 2014-2015 Grant Applications- DUE MARCH 31, 2014
Date: February 10, 2014

The Texas Access to Justice Foundation (TAJF) is pleased to announce its current application for proposals to support civil legal aid programs that provide legal services for low-income Texas veterans. The next funding opportunity is for the 2014-2015 grant year from September 1, 2014 through August 31, 2015. The application must be submitted online no later than Monday, March 31, 2014.

Over the past four years, the annual Texas Access to Justice Commission’s Champions of Justice Gala has raised a total of $1.4 million in support of legal services for Texas veterans, or an average of $350,000 annually. The Foundation applauds this effort and will, as we hope you will, be an active partner in the Commission’s efforts to make the 2014 Gala a banner year for generating funds for Veterans Legal Services. We will not know the level of funding for GY 2014-2015 legal aid to veterans until after the event which is May 13th. Also, as we cautioned last year, we must remain mindful that there are no assurances that this pool of money will be available in future years, or at what level so it is vital that programs seek alternative resources to sustain this important work.

Veteran grant applications may be submitted by any Texas 501 (c) (3) non-profit organization who fits within the grant funding criteria Grant applications will only be accepted through the online grants system.

Client Eligibility Requirements

Only clients and cases eligible under this funding source may be supported with TAJF funds. (See http://www.tajf.org/grants/faq.aspx). Selected applicants’ screening and intake procedures must include instructions to solicit sufficient questions from the applicant to determine the total amount of household income for eligibility and must be able to demonstrate that staff practice and follow these procedures uniformly and consistently.

Screening and Reporting Requirements

TAJF requires, as a condition to the granting of funds to any eligible organization, that adequate provision be made for reports to TAJF as to the actual use of the funds so granted and for audit of such reports. Each such selected organization receiving funds from TAJF shall keep its financial records in accordance with generally accepted accounting principles for organizations of its type and shall furnish reports to TAJF in such form and containing such information as shall be reasonably requested. Minimally, TAJF will require quarterly financial expenditure reports, bi-annual programmatic reports, and annual programmatic and financial reports.
Selected grantees shall utilize a case management systems and procedures that ensure that information necessary for the effective management of cases is accurately and timely recorded in a case management system. Such systems and procedures shall ensure that program management has timely access to accurate information, ensure that cases involving the same client and same legal problem are not recorded and reported to TAJF more than once and the capacity to meet funding sources’ reporting requirements. Grantees will also be required to ensure that non-eligible clients and or cases are not funded with TAJF funds.

**Geographic Service Area**

Applicants must limit proposed TAJF funded legal services to Veterans to one of the three service areas of TAJF (see Attachment I for listing of counties by region) unless your proposal is offering statewide services. For example, if you are awarded a Veterans grant for the East and Gulf Coast area, TAJF funds are limited to services to residents within that region, which should also be consistent in your grant application. Applicants may not support funded legal services in counties outside their awarded service area unless TAJF approves statewide services. TAJF Board makes grant decisions based on the allocation rule to ensure funds awarded are proportionate to regions’ targeted poverty populations.

**Online Grants System**

You can access the online grants system by going to [http://grants.tajf.org](http://grants.tajf.org). You must register before you can submit an online application. If new to the system click on “register” and enter applicable information. Once approved, you will be able to access funding opportunities. Deborah G. Hankinson Award

The Deborah G. Hankinson Award honors local bar associations and young lawyer affiliates that demonstrate a commitment to access to justice in their communities and to raising financial support for legal service providers on a local and statewide basis. There will be only one award recipient for each division. In 2013, the Texas Access to Justice Commission began using an application process to determine local bar associations and young lawyer affiliates award recipients.

Each bar association has an opportunity to receive this award based on its division. The divisions are:

- **Division I**: local and district bar associations with a membership of 500 or less

If I weren't an attorney, I'd try to be... ballerina.

The oddest food I have ever eaten has been... crawfish! I'm from Los Angeles and crawfish is so weird to me.

In my spare time, I enjoy... catching up on my Netflix DVD queue.

If my life were a movie, it would be called... "It's Monday, Already?"

In my opinion, the best restaurant in Houston is... Nundini, Aka, El Tiempo... the food is great in Houston.

The coolest store in Houston... Target. I admit it, I have a Target problem.

The sports team(s) I root for is... the USC Trojans. Fight on!

My favorite decade for music is the 90's, but my favorite song is... anything by Mariah Carey.

"My favorite quote is... "I don’t understand the question, and I won’t respond to it." - Lucille Bluth - Arrested Development.

I recommend reading... David Sedaris.

Most AABA members probably don't know that... can wiggle my ears!
